<b><u>Washington</u></b>	A	OPIS Seattle
	B	AXXIS Portland, OR
	C	AXXIS Spokane
	D	AXXIS Pasco
	E	OPIS Anacortes

**\* NOTES:**

**CLEAR/OXYGENATED GASOLINE**

a) All regular unleaded gasoline items escalate/deescalate with regular unleaded gasoline references. All midgrade unleaded gasoline items escalate/deescalate with midgrade unleaded gasoline references. All premium unleaded gasoline items escalate/deescalate with premium unleaded gasoline reference.

b) Gasoline items, in areas where oxygenated gasoline is required by law, will switch to the oxygenated gasoline average at the start of the control period and return to the clear (nonoxygenated) gasoline average at the end of the control period. Gasoline items, in areas where oxygenated gasoline is not required by law, will use clear (non oxygenated) gasoline prices at all times.

## **REFORMULATED GASOLINE**

- c) Reformulated gasoline (RFG) items, outside of oxygenated fuel program areas, will use the average price for non-oxygenated program RFG.
- d) Reformulated gasoline items, within an oxygenated fuel program area, will use the average price for oxygenated program reformulated gasoline (OPRG). Reformulated gasoline items, within oxygenated fuel program areas, switch to an OPRG reference at the start of the control period and return to a non-oxygenated program RFG price at the end of the control period.

## **GASOHOL**

- e) All regular unleaded gasohol items escalate/deescalate with regular unleaded gasoline references. All midgrade unleaded gasohol items escalate/deescalate with midgrade unleaded gasoline references. All premium unleaded gasohol items escalate/deescalate with premium unleaded gasoline reference.
- f) Gasohol items, in areas where oxygenated gasoline is required by law, will switch to the oxygenated gasoline average at the start of the control period and return to the clear (nonoxygenated) gasoline average at the end of the control period. Gasohol items, in areas where oxygenated gasoline is not required by law, will use clear (non oxygenated) gasoline prices at all times.
- g) Gasohol items, in areas where reformulated gasoline (RFG) is required by law, will use the average price for reformulated gasoline. Gasohol items, in areas with an oxygenated fuel program where reformulated gasoline is required, will switch to the reformulated oxygenated gasoline (OPRG) price during the control period and return to the non-oxygenated program reformulated gasoline (RFG) price at the end of the control period.

### **\*NOTES CONT'D:**

- h) Gasohol items, in areas where low RVP gasoline is required, will follow the appropriate references for gasoline as explained in the notes entitled RVP REQUIREMENTS FOR GASOLINE.

## **RVP REQUIREMENTS FOR GASOLINE**

### **REGION 8**

**AXXIS Portland, OR** -- All regular, midgrade and premium unleaded gasoline items in the following Oregon counties: **Clackamas, Marion, Multnomah, Polk, and Washington**, should switch to the RVP Avg gasoline reference the 1<sup>st</sup> Monday in May or when the RVP Avg gasoline reference first becomes available and use the RVP Avg gasoline price through the second Monday of September. On the third Monday of September these items should switch back to the Clr Avg reference.

All other gasoline items using the AXXIS Portland, OR reference should use the Clr Avg price reference at all times.
